

Night at the Navy Yard

DC FIREFIGHTERS
BURN FOUNDATION

2025

For two decades, the [DC Firefighters Burn Foundation](#) has stood as a beacon of hope for burn survivors throughout the Washington Metropolitan Region. Founded in 2004 by active and retired DC firefighters, we are dedicated to supporting the full journey of recovery and rehabilitation for injured firefighters and burn survivors alike.

Our impact speaks volumes: through the support of our community and generous sponsors, we've directed over \$2 million into pioneering burn research, treatment, and rehabilitation programs at MedStar Washington Hospital Center and Children's National Hospital. These partnerships allow us to offer comprehensive, no-cost aftercare programs that nurture both body and spirit. From adaptive sports and outdoor recreation, youth burn camps and adult burn retreats, to image enhancement services and specialized support groups, we ensure that survivors and their families have access to crucial resources for healing and opportunities to rediscover joy, connection, and confidence.

As firefighters and burn care professionals, we witness daily the profound challenges burns present to both body and spirit. This deepens our commitment to each survivor's journey toward healing and renewal.

We invite you to join us in sparking hope at our signature event on [May 17, 2025](#). The [Night at the Navy Yard Gala](#) will be hosted at [HQO Events](#), DC Water's stunning riverfront venue in Navy Yard. Guests will enjoy an unforgettable evening featuring:

- Curated tastings from DC's premier restaurants
- Local craft spirits and cocktails
- Exclusive silent auction packages
- Live music and dancing
- Breathtaking views of the Anacostia River

By becoming a sponsor of the [2025 Night at the Navy Yard Gala](#), you'll directly impact the lives of burn survivors in our community. As a 501(c)(3) non-profit organization, your sponsorship qualifies as a charitable donation, with all proceeds supporting our Burn Survivor Support Programs and the Pediatric Burn Care Program at Children's National Hospital.

Will you join us in igniting hope and healing for burn survivors? Your partnership can help transform lives. Together, we can make a lasting difference.

With Gratitude,

Jason Woods

Jason Woods, President

DC Firefighters Burn Foundation
